## THE CLASSICS range

Chocolate made from blends of single origin cocoa mass.

## ORIGIN

**SOUTH AMERICA  
& INDIAN OCEAN**

Main cocoa bean profile: **FORASTERO  
& CRIOLLO**

Although this couverture chocolate has all the technical and taste features of single origin Pures Plantations® chocolate, it is actually part of the Classics range: It's a blend of premium cocoa beans, each type of bean having received an individual treatment process before being combined.

The combination of fine cocoa beans from South America and from the Indian Ocean make this couverture chocolate a key product in the range.
